Mission of the SE Area ARTWalk:

To establish a community-focused event showcasing artists in S.E. Portland, Oregon. To organize and promote a group of local artists to strengthen the art community, encourage cultural awareness, and provide the opportunity for human interaction within our neighborhoods.

Early last July I began to inquire among local artists to discover what they might think of bringing a walking art tour to our neighborhood. A sign-up sheet, simple map and pen sat on an informational table at the Division Clinton Street Fair beckoning artists to record their basic contact information. Twenty passersby jotted down the beginning of what was to become the S.E. Area ARTWalk. With the aid of the experience of many wonderful people throughout our greater community, we embark as a group of 50 artists. I feel there is vital human need to interact, work together, hear ideas and make decisions for a common vision. This point has become reemphasized for me as it is the basis for this "group event". I want to thank each individual that has become involved in the SEAAW. A network of people has combined strengths to form a culturally supportive unit. I encourage any efforts you take to broaden your community awareness as our neighborhood begins to grow. Many organizations are in place to guide and shape the future of S.E. Portland. Be well, explore the wide array of art and enjoy the event.

Sincerely,

Rin Carroll Jackson
